The Board of Directors, Staff and Horses of Peaceful Acres Horses, Inc. would like to thank its volunteers and donors for making the equine rescue and equine guided learning programs a success in the Capital Region. It is because of the support we have been given by our donors and volunteers that Peaceful Acres Horses, Inc. was named The Small Not For Profit of The Year 2010. It is also because of our donors and volunteers that we are saving the lives of horses and helping people transition into a better quality of life.

Please feel free to bring a friend who you think will also be interested, like you, to support our efforts at Peaceful Acres Horses, Inc.
